Statistics Block

Displays statistics from the student's most recent term in the student's current academic career.

Note the class level (Senior, Junior, etc.) above the cumulative hours and the *In Progress* hours.

This report prints in-progress courses in the detail below so that they may be considered during the advising process. These courses will display without a grade.

Plans Block

Displays each major and minor with the requirement term for each.

Requirement term determines which official bulletin is used for the academic requirements of that plan.

Advisor Block

Lists current advisors for the student.

A *requirement group* is denoted by **BOLD, UPPERCASED TEXT**.

An individual requirement (item beneath the group) begins a list of courses taken.

UCR FOUNDATIONS

An incomplete requirement displays a minus sign to the left.

Courses in progress will not have a grade.

Pages print in this order:

- 1) UCR;
- 2) College-Specific Requirements;
- 3) Majors, Minors, Concentrations;
- 4) General University Requirements (residency, total hours, etc.)

Completed requirement **groups** will display the word **Met**.

GPA requirements display to the right of the requirement group.
